

# FISHING & ARCHERY CLINIC

Spend the day learning new outdoor skills at  
**Devils Lake State Park and the MacKenzie Center**

**Fish at Devils Lake State Park in the morning:** This fishing clinic will cover fish identification, knot tying, casting, setting the hook, bait, and much more! Meet at the South Shore Concession.

**Learn archery at the MacKenzie Center in the afternoon.** Instructors will guide participants through the basics of archery. The clinic will include instruction and plenty of target practice! Meet at the Lodge parking lot.

Participants can choose the morning or afternoon session or join in for both!

## Schedule:

- 9:00 am—11:30am Learn to fish with Greg Karch at Devils Lake State Park
- 11:30-12:30pm Travel to MacKenzie Center and eat lunch on your own (*picnic areas at both locations*)
- 12:30—4:00pm Learn archery with educators at the MacKenzie Center

The structure for the day is “drop-in.” The fishing station will be open between 9 and 11:30 at Devils Lake, and the archery station will be open from 12:30-4. Drop in during these times to receive guided instruction. All travel will be on your own and you are encouraged to explore the hiking trails and wildlife viewing at both locations before and after you have honed your fishing and archery skills.
